Subscription Information

KIA

For many years, Kia Motors America has provided no cost access to www.KiaTechInfo.com as a complimentary service to its customers, although most other competitors charge for access to their service support websites. Because Kia vehicles have advanced technology requiring specialized training, tools and equipment, the information contained in this website is largely tailored towards the professional technician and effective October 17, 2014, the site has been changed to a subscription-based, pay per use site.

The following subscription rate options are being offered to provide flexibility for site use: 72 hours (\$19.00), 1 month (\$150.00), and 1 Year (\$1,500.00). Additionally, vehicle security (locks) codes are priced at \$14.00 per VIN. None of the existing free subscription account logins will carry over to the new paid-subscription service (every user must create a new account on the new tech site.)

Should Kia vehicle owners have any questions regarding their vehicle or the new subscription-based access to www.KiaTechInfo.com, please contact Kia Consumer Affairs at 1-800-333-4Kia (4542) or online at the Owners Section of www.kia.com.
